2017 SPRING RECREATIONAL LEAGUE

Team Composition

All recreational divisions are mixed divisions with 6 players permitted on the court at any one time. All teams must have at least 1 male and 1 female player on the court at all times, we strongly encourage each team to have 2 or more players of each gender on the court at any one time.

Finals Qualification

To qualify for a finals match a player must have participated in at least five matches for that team during the regular season.

Divisions

Due to limited court space, some teams may be requested to change nights and/or divisions. Competitions may be split or merged into new divisions if it is felt to be in the best interests to do so. VACT will endeavour to provide an evenly balanced and enjoyable competition for all teams. Decisions made by VACT are final.

Substitutions

Unlimited substitutions are permitted, provided gender rule is adhered to at all times (see 'Team Composition'). Substitutions can only be made between points.

Uniforms

ALL teams must be in uniform by week 3 of the competition. Uniform consists of same colour or themed shirts e.g. all wearing black t-shirts, Hawaiian shirts etc.
