- Teams change ends every 7 points (sets 1 and 2) and every 5 points (set 3)
- All teams will be required to perform duty throughout the day
- A rolling format will be used, official warm up will commence immediately at the conclusion of the previous game
- 10 minutes official warm up prior to each game
- FIVB Beach Volleyball rules shall apply

Fours

- Matches will be best of 3 sets. Sets 1 and 2 played to 25 points and set 3 played to 15 points
- Teams change ends every 10 points during sets 1 and 2 and every 5 points during set 3.
- Teams are mixed with 4 players permitted on the court at any one time and a minimum of 3 players required on court at all times. All teams must have at least one player of each gender on the court at all times, but we strongly encourage each team to have 2 of each gender on the court at any one time
- Unlimited substitutions are permitted, provided gender rule is adhered to at all times (see 'Team Composition' above). Substitutions can only be made between points
- Each team is permitted one 30 second timeout per set. Timeouts can only be called between points and prior to the referee authorising the next serve
- All teams will be required to perform duty throughout the day
- A rolling format will be used, official warm up will commence immediately at the conclusion of the previous game
- 10 minutes official warm up prior to each game
